SOPHSTONE Commercial Division

SOPHSTONE Commercial Division has two distinct product offerings, BeSpoke and PreFab, to help support our customers unique needs and project requirements.

**Slant Commercial Sink**
- ADA Compliant
- IAPMO Certified
- Three Stocked Colors
- Ten Standard Colors
- High Recycled Content
- Meticulously Handcrafted
- Smooth, Easy to Clean
- Honed Finish

**Bespoke**

Our BeSpoke department is unrivaled in its ability to create custom commercial trough style countersinks that exceed the industry norm in size and color. Perfect for larger projects that may have a little extra time to design exactly what is required of the space. BeSpoke has a lead time of 8+ weeks depending on the size and scope of the project.

**PreFab**

SOPHSTONE PreFab is our ready to ship product line, available in 11 standard lengths (30”-144”). With PreFab, faucet holes and length trimming can easily be accomplished in the field saving you time and money. Utilizing the same “high demand usage” quality we are known for, PreFab is a cost effective choice for those with shorter than expected project lead times.

**Stock Colors**
- Shadow
- Ash
- Cotton

**Standard Colors**
- Shoreline
- Winters Gold
- Tuscan
- Pearl Mist
- Dovetail
- River Slate
- Ursa
Bespoke Sink Examples

SOPHSTONE commercial division designs Bespoke products to assist designers, architects, project managers, specifiers, developers, and consultants with their commercial sink and composite stone requirements. Every BeSpoke sink is a one of kind creation forged through a close communication with SOPHSTONE’s team of engineers to bring your vision to life.

Our BeSpoke sinks offer superior design flexibility and customizability to fit any need including an unprecedented continuous, seamless, sink length maximum of 610cm (20ft). Large scale and specialized projects are encouraged.

Pantone color matching available.

For more information on how to create your SOPHSTONE BeSpoke commercial sink, call us at 1.844.539.1801 or email us at Projects@sophstone.com
